QUANNESENCE

Tara Lawrence

I have had a passion for skincare for as long as I can remember, so much so, that I made a career out of it! In my career spanning the last 23 years, I have worked in all facets of this amazing industry. I am a certified master esthetician, Instructor and makeup artist, who has worked in the treatment room, in sales management, spa management and education. In all these different areas, the common theme is education and it is what I am most passionate about. I currently work with Salient Medical Solutions as the Territory Sales Manager for Atlantic Canada and proud representative of Eclipse MicroPen.
