## Product Safety

The CANB has been informed by some of its members of the uncertain nature of certain consumer products and cosmetics used in New Brunswick beauty salons.

Given our authority limited to regulating services, we encourage individuals seeking to file complaints concerning such products to direct their concerns to the relevant Health Canada channels.

To report an incident or file a complaint, please reach out to Health Canada's Consumer and Hazardous Products Safety Directorate at [cps-spc@hc-sc.gc.ca](mailto:cps-spc@hc-sc.gc.ca).

## Income Tax Season

With the personal income tax season fast approaching, make sure you are prepared and have all relevant documentation in hand.

If you are unable to locate your license receipt, contact us at [generalinfo@canb.ca](mailto:generalinfo@canb.ca) and we will send you a new copy.

Did you know? The cost of your license can be applied for a tax reduction!

## License Renewal Reminder

The CANB would like to remind you that the April 2024 license renewal will be accompanied by a slight fee increase.
