Introduction to a possible “master license”

CANB recently amended our legislation to include the classification of Master Cosmetologist. A motion will be put forward at the upcoming May 29th, 2023, AGM. Under this new insert, licensed cosmetologists in New Brunswick could apply to become a licensed master cosmetologist. Moreover, this proposed motion would provide further details and guidelines for cosmetologists who would wish to apply and maintain a master cosmetologist license annually.

Cosmetologists Unite dazzling competitions

The Cosmetologists Unite event is recognizing and celebrating all cosmetologists. Over the 3-day event, participating cosmetologists will be invited to showcase their talented and artistic abilities by taking part in a variety of diamond-themed creative competitions. Competing for prize money, participating artists will compete in one of the following categories: Nail Enhancement Artistic, Textured Hair Braid Design, Fade & Diamond Theme design haircut, and Fantasy Bridal Updo.

Stay tuned for more information about registration and guidelines!

Important Reminders:

1: Following the decision of the May, 2022 AGM, aestheticians and licensed aesthetic instructors who are offering eyelash enhancement services must apply for their licenses before December 31st 2022.

2: As of June 1, 2023 you will only have 30 days – not 90 days – to make your license renewal payment without incurring penalties.
