

NAIL TECHNICIAN

Hours for Nail Technicians:

Must complete no less than 350 hours of training in no less than 8 weeks in a licensed school under the direct supervision of a Certified Nail or Aesthetic Instructor.

Students may complete work experience hours. In order to achieve said hours they must be accumulated in a licensed salon under the direct supervision of a licensed certified nail technician or aestheticians

Students are not permitted to be employed until they have successfully completed 350 hours and received diploma from their school.

All students are required to be examined by Cosmetology Association of New Brunswick, and upon successfully passing the examination, may receive a certified nail technician license.
