

# TECHNICAL CUTTING STYLIST

## Hours for Technical Cutting Stylist:

Must complete no less than 1000 hours in no less than 25 weeks in a licensed school under the direct supervision of a Certified Hairstyling Instructor.

At the discretion of the school, students must complete 160 hours of training prior to commencement of work experience. Students must complete a total of 160 hours of training prior to performing any type of service on the public. Work experience must be completed in a CANB licensed salon under the direct supervision of a licensed certified hairstylist.

Student registrations are valid for one year; however, an extension can be given for one additional year to complete training. If a student has not completed said hours within the two years, they must make application to the Examining & Licensing Committee for approval.
